## **SB 3380 - HB 3524**

March 24, 2004

**SUMMARY OF BILL:** Requires that a student seeking a baccalaureate degree earn credit in American history consisting of nine semester hours or 12 quarter hours instead of the current six semester hours or nine quarter hours requirement.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase State Expenditures - Not Significant**

Assumes any cost associated with the change in the American history requirement for graduation will be not significant and will be handled in the same manner as other coursework requirements are handled in the normal course of business. Although there may be faculty reassignments, it is assumed that there are sufficient faculty to handle the change in coursework as required by the bill.
